

Submission Guidelines

Authors are requested to submit full papers of their original, unpublished research work electronically (PDF format using the IEEE conference template) through the conference website. Paper submissions should be limited to a maximum of four (4) pages, in the IEEE 2-column format, including figures and references. All submissions will be reviewed double-blind by the Program Committee on the basis of technical quality, originality, and novelty.

All accepted papers will be published in the conference's electronic proceedings.

Authors of chosen papers from the conference will be asked to submit an expanded version of their original research work for publication in the special issue of the Varendra International Journal for Interdisciplinary Research (VIJIR).

Submission Checklist:

- Each paper must include at least one undergraduate student as the first author.
- Authors must prepare their manuscript using the standard IEEE conference templates provided at this URL: [IEEE Conference Templates](#) (please download and use A4 Size Template). Note that the fonts and font size of the components of the paper (title, text, heads, etc.) are already defined in its style sheet and must not be modified in any way.
- The manuscript template can also be downloaded from here:
MS Word Template: [A4](#) (MS Word 2013 or later should be used.)
LaTeX Template: [Template](#) , [LaTeX Bibliography Files](#)
Overleaf Template available at: <https://www.overleaf.com/gallery/tagged/ieee-official>
- The authors' names, affiliations, and mailing addresses must not be included in the first submission.
- Plagiarism: the overall similarity rate of a paper should not exceed **30 percent**, and the similarity rate to a single source should not exceed **10 percent**.
- Each paper needs to be submitted electronically as a single PDF file via Microsoft CMT: [Microsoft CMT](#)
